

BUNKHOUSE PLANK® OAK

Description

A blend of reclaimed oaks native to our region, our Bunkhouse Plank® Oak floors are made from well-aged barn framing members that had originally been circular sawn. These floors are dramatically rustic. Planks range in color from medium to deep and have the original old-time circular sawcut marks. Also included are blackened nail holes, insect marks and weathered cracks. Aged Woods® Bunkhouse Plank® Oak is an extremely durable and extremely rustic hardwood floor with maximum character and patina.
