

ANTIQUÉ SELECT HEARTPINE

Description

Our Antique Select Heartpine flooring is made from reclaimed factory and warehouse timbers. Planks contain 90% - 100% heartwood, very infrequent nail holes, tight knots (max 1-1/2") and occasional hairline cracks as evidence of the wood's former life. Aged Woods® Antique Select Heartpine is a very durable floor that represents the Classic Heartpine look that works well with both rustic and contemporary decors. This floor has medium character and minimum patina.
