

Ranch House™ Reclaimed Mixed Hardwoods

(aka skip-planed or hit-miss)

DOWNLOADABLE
PRODUCT
DATA SHEET

Description

Reclaimed from old, weathered barns, our Ranch House™ Mixed Hardwoods flooring is a mix of North American hardwoods native to our region and ranges in color from medium brown to dark and heavily textured retaining the original timbers' circular sawcut surface. A durable reclaimed wood floor with maximum character and maximum patina. Typical species may include Maple, Beech, Ash, Sycamore, Sassafras, Hickory, Oak ...

We are able to supply this product as engineered reclaimed hardwood flooring.
